ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on 10 December 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

AMENDMENT AFTER FINAL

A review of the file indicates that on 3 July 2006 Appellant filed an Amendment After Final in response to the Final Rejection mailed 28 November 2005. It is not clear whether this Amendment has been considered because an Advisory Action has not been mailed or because box 7 of an Advisory Action fails to indicate whether or not the proposed amendment will or will not be entered for purposes of appeal. Clarification from the Examiner is required.

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) appropriately respond to the Amendment After Final;
- 2) vacate the Examiner's Answer mailed 3 March 2008;
- 3) provide a new Examiner's Answer including a correct "Status of Amendment" section in addition to correction to other sections as required; and
- 4) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
